NOTE:

*Information for the vegan products listed is defined as "appears to be vegan" with the goal of being helpful to customers when making food choices. Note, however, that ingredient sources and processing may change. Also, errors and variations are always possible during manufacturing, food preparation, information investigation, and information reporting.

**Some items may contain honey, and are indicated with asterisks if they do contain honey.

This information was made available through the efforts of the UCS Campus Life Committee.
