Release executed on (date) \_\_\_\_\_, by (name) \_\_\_\_\_ for the benefit of Brown University (hereinafter "BROWN").

I, the undersigned, am a member of a student organization known as the Brown Cycling Club. (hereinafter referred to as "Club"). Although the Club is constituted by the Undergraduate Council of Students of Brown University, I understand that all activities are arranged by members of the Club and not by or on behalf of Brown and that any activities in which I engage with respect to the Club (including but not limited to travel incident thereto) are not under the auspices of Brown.

I acknowledge that my membership in the Club is entirely voluntary, independent of my attendance and studies at Brown, and is not required for graduation from Brown. I understand that my participation in the activities of the Club is subject to any rules, and regulations outlined for me by Club officers and/or any other person(s) overseeing the activities and acknowledge that any activities in which I engage as a member of the Club are of my own choice and judgment and I agree to participate in a safe manner. I, further understand and appreciate that, even under the safest conditions possible, there are a number of hazards and inherent risks involved in the activities of the Club which may result in physical injuries or death and acknowledge that Brown bears no responsibility or liability for any claims or causes of action that I may have or that any other person may have against me for my participation in Club activities. In consideration of Brown's recognizing the Club as a duly constituted student organization, I agree to assume all such risks and expressly release and hold harmless Brown including the Corporation, its Trustees, faculty, employees, staff, and other agents from any liability and responsibility for any claim or cause of action on account of any personal injury, accident, damage, expenses, or other loss caused, suffered, or incurred by me, during, arising out of or in any way associated, directly or indirectly, with my membership in the Club and from contribution or indemnification in respect to any claim made against me by any other person or entity in connection therewith. I also agree to indemnify Brown, including the Corporation, its Trustees, faculty, employees, staff, and other agents of and against any and all liability and responsibility for any claim or cause of action on account of any personal injury, accident, damage, expenses, or other loss caused, suffered, or incurred by or to any person(s) or entity during, arising out of or in any way associated, directly or indirectly, with my membership in the Club.

Further, I acknowledge that I have read and understand the above statements and that I am at least eighteen (18) years old and of legal age to bind myself to this release and waiver but if I am not at least eighteen (18) years of age, I have written approval and consent of my parent(s) and/or legal guardian(s).

This release and waiver has been executed on behalf of myself, my heirs and assigns, and has been made with full knowledge of possible risks involved. This instrument has been executed in and shall be interpreted according to the laws of the state of Rhode Island.
