What research opportunities are there?

Undergraduate Teaching and Research Awards (UTRA) – Deadline February 2, 2008

http://brown.edu/Administration/Dean_of_the_College/research/utra.php

UTRA is the umbrella term for collaborative work with a faculty member. UTRAs provide students with opportunities to work closely in research situations with faculty members, to participate integrally in the process of course development and revision, and to experience the work of the college directly.

Royce Fellowship Program – Deadline February 18, 2008

<http://swearercenter.brown.edu/Royce/index.php>

Every spring, up to twenty students at Brown are inducted into the Society of Royce Fellows, receiving an award of up to \$4,000 to pursue a project of their own design. The program seeks to enable undergraduates to explore their developing interests and passions and enhance the ideals of Brown's innovative open curriculum.

Rhode Island School of Design Summer Internship – Deadline March/April

<http://www.risd.edu/museum.cfm>

The goal of the program is to provide an overview of museum functions and in-depth experience with works of art. The internships are designed particularly for those students who have had little behind-the-scenes museum experience.

Haffenrefer Museum of Anthropology

<http://www.brown.edu/Facilities/Haffenreffer/internships.html>

The Haffenreffer Museum offers a limited number of internships varying in length from one or two semesters, to a month long "winterim" or summer vacation period. Some are for academic credit; others carry a modest stipend. Normally, interns focus on a particular area of museum activity-- collections management, education, exhibition, public relations, conservation; or a research project.

Where do I get funding?

Brown Internship Award Program – Deadline March 1, 2008

http://careerdevelopment.brown.edu/resources/BIAP_AIP.php

Each year, the Brown Internship Award Program offers funding for unpaid or low paying summer internships. The award program encourages students to pursue career exploration through summer internships in all career fields, including labor relations, socially responsible careers and careers in the creative, arts, music and entertainment.

- BIAP: Funding awards in the amount of \$2,300 are available for career exploration in a wide variety of fields. Approximately 35 BIAP awards will be available for the summer of 2008.
- AIP: Students who are on financial aid and eligible for University scholarship may apply for a waiver of their summer earnings requirement. For summer 2008, 25 summer earnings waivers of up to \$2,650 will be awarded.

RAB Grants - November 15, 2007 and February 21, 2008 (2007-2008 Academic Year)

http://brown.edu/Administration/Dean_of_the_College/research/supplemental_grants.php

FIELDWORK INFORMATION SESSION

Undergraduates at Brown may apply for RAB grants to support an independent research project. Students can request up to \$500 of funding to purchase research materials, travel to libraries or archives, or attend scholarly conferences. Grants are awarded by a committee twice a year, following a Fall and Spring application deadline.

Where can you study abroad?

For general information about study abroad programs:

StudyAbroad.com - <http://www.studyabroad.com/>

Peterson's Study Abroad - <http://www.petersons.com/stdyabrd/us.asp?sponsor=1&path=ug.fas.go>

Brown-sponsored or affiliated study abroad programs for those interested in archaeology of the Mediterranean, Egypt and Ancient Western Asia:

Egypt: American University of Cairo

Greece: Arcadia University, Center for Hellenic, Balkan and Mediterranean Studies

College Year in Athens: International Center for Hellenic and Mediterranean Studies

Italy: Duke University: Intercollegiate Center for Classical Studies

Turkey: CIEE: Middle East Technical University
