Rhode Island Hall Open House:
See ancient coins, bones, precious metals, ceramics, and other artifacts. Tour one of the oldest buildings on Brown’s campus. And talk with Brown’s archaeologists about their fieldwork all over the world.

Rhode Island Hall
60 George Street

Archaeology of College Hill Excavation:
Watch Brown students digging! As part of Brown’s 250th anniversary, students will be excavating right on the university's main campus, exploring the possible site of the first president’s house.

Brown’s "Quiet Green" (near corner of Waterman and Prospect Streets)
